

BEKKERS

a story of soil + soul

Fine wine, McLaren Vale, South Australia

A total of 941 bottles were submitted for this year's Top 100. As I have done for some years, I invited the best-performing wineries (303) in my database to submit up to six of their best wines for judging...
The difficult task of choosing between wines of near-identical worth led to my decision to largely restrict each winery to one place in the final list.

2019 McLaren Vale Syrah

98 Points
Gold - Exceptional
Drink to 2050

The colour is deep and still youthful, three-plus years oolong is journey. The complex bouquet is so multifaceted it's a challenge to describe. Game, Eastern spices, black cherry and licorice move backwards and forwards across the palate and bouquet. Aboriginal dot painting stuff.
