

# Have you met Albert?

*The old bloke from the Teusner stable.*

*Albert, my grandfather, was a man of strong will but quiet leadership, standing firm where others may have faltered. A fitting paragon of this Barossa Valley Shiraz.*

Barossa Valley Shiraz doesn't come much better than this. The vintage was perfect, but few nailed the opportunity as well as winemakers Kym Teusner and Javier Moll.

The silky elegance and balance are coupled with purity and freshness in a manner seldom seen.
